

In January 2025, the FBCA Helene Recovery Fund Advisory Team reviewed all of the Disaster Relief Grant and Counseling & Wellness Grant applications submitted in 2024. All 40 applicants received financial awards thanks to the generosity of our community and so many donors from around the country. Grant awards totaled \$72,000, completing the designated allocation for Disaster Recovery Grants. Additional Counseling & Wellness Grants will continue to be awarded across 2025.
