FIRST BAPTIST CHURCH
OF ASHEVILLE

Sharing CHRISTMAS DINNER

OVER 100 YEARS

For over a hundred years, our church has collected food gifts to help provide meals for area families in need during the Christmas season.

We invite you to be part of this meaningful tradition by donating food items according to the Bible Study Class assignments. Collection will run from now through the Hanging of the Green service on Sunday evening, November 29 at 6:00 p.m.

Our goal this year is to prepare 100 Christmas Dinner bags for neighbors in our community who are facing significant economic hardships and potential isolation. The majority of these bags will be shared with low-income senior adults living in downtown apartments. Each bag will be filled with food items for them to prepare a hearty Christmas dinner, as well as a small poinsettia, Christmas greeting card, and FBCA Advent Card.

Thank you for helping share the love of Christ through this local community mission.
