Sharing CHRISTMAS DINNER OVER 100 YEARS

For over a hundred years, our church has collected food gifts to help provide meals for area families in need during the Christmas season.

We invite you to be part of this meaningful tradition by donating food items according to the Bible Study Class assignments listed in the chart to the right. Collection will run from now through the Hanging of the Green Service on Sunday evening, November 29.

Our goal this year is to prepare **100 Christmas Dinner Bags** for individuals at Battery Park, Vanderbilt, and Altamont Apartments who are facing significant economic hardships.

Each bag will be filled with food items for recipients to prepare a Christmas dinner. Thank you for helping us share the love of Christ through this cherished ministry.
